### Bookshare-

Bookshare operates in the U.S. under a copyright exemption—the Chafee Amendment— which grants nonprofit organizations the ability to make books available to people with print disabilities without publisher permission. Bookshare receives publisher permission to provide books to members outside the U.S. and receives significant publisher cooperation in building its collection.

Your student's preferred reading medium is Braille, but often does not get it on time.

## The TVI recommended BookShare.

The student needs to read a third grade chapter book about animals.

You decide to visit the site and look up a book. Question: What four-five formats are available after looking up a book.

Record the formats in your study guide.
